PREAMBLE

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have endeavored to reach agreements on all matters relating to the employment conditions and Employer-Employee relations of such employees.

GENERAL PROVISIONS

SECTION 1. RECOGNITION

1.1 Union Recognition

Central Marin Police Officers' Association, hereinafter referred to as the "Association," is the recognized employee organization for the classifications listed in Section 4 and certified pursuant to Resolution No. 2/80 adopted by the Twin Cities Police Council on May 19, 1980.

1.2 Authority Recognition

Management Committee, or any person or organization duly authorized by the Management Committee, is the representative of the Central Marin Police Authority, hereinafter referred to as the "Authority" in Employer-employee relations.

SECTION 2. ASSOCIATION SECURITY

2.1 Dues Deduction

Only a formally recognized employee organization may be granted permission by the Authority to have the regular dues of its members deducted from their paychecks, in accordance with procedures prescribed by the Chief or Police; provided, however, this shall not preclude the continuation of dues check off heretofore granted to any employee organization.

Dues deduction shall be for a specified amount and shall be made only upon the employee's voluntary written authorization on a payroll deduction request form approved by the Authority. Dues deduction authorization may be canceled and the dues check off payroll discontinued at any time by the member upon voluntary written notice to the Authority.

The employee's earnings must be sufficient after all other legal and required deductions are made to cover the amount of the dues check off authorized. When an employee is in a non-pay status for an entire pay period, no dues withholding will be made to cover that pay period from future earnings nor will the employee deposit the amount with the Authority which would have been withheld if the member had been in a pay status during that period. In the case of an employee who is in a non-pay status during only part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions have priority over Association dues.

The Association shall indemnify, defend, and hold harmless the Central Marin Police Authority on account of check off of employee organization dues. In addition, the Association shall refund to the Central Marin Police Authority amounts paid to it in error upon presentation of supporting evidence.

2.2 Access to Work Locations

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the organization concerning business within the scope of representation. Such officers or representatives shall not enter any work location without the consent of the Chief or Police. Access shall be restricted so as not to interfere with the normal operations of the Authority or with established safety or security requirements.

2.3. Use of Bulletin Boards

The Association may use a designated portion of Authority bulletin boards for official Association business such as posting times and dates of meetings. Materials to be posted shall be submitted in advance of their posting to the Chief of Police.

2.4 Use of Department Facilities

The Association may, with prior approval of the Chief of Police, use Authority facilities for Association activities. The granting of such use may be conditioned on appropriate charges to offset the cost of such use.

2.5 Advance Notice

Except in emergency situations, the Association shall be given reasonable written notice of any proposed ordinance, rule, resolution or regulation directly relating to matters within the scope of representation. A copy of the Central Marin Police Board meeting agenda will be sent to the Association President.

2.6 Employee representatives of the Association shall be granted reasonable time off without loss of compensation or other benefits when meeting and conferring with management representatives on matters within the scope of representation. Such time off is subject to the prior approval of the Chief of Police and should not interfere with the operational requirements of the Authority.

SECTION 3. NO DISCRIMINATION

There shall be no discrimination because of race, creed, color, national origin, sex, or legitimate Association activities against any employee or applicant for employment by the Authority; and to the extent prohibited by applicable state and federal law, there shall be no discrimination because of age. There shall be no discrimination against any handicapped person solely because of such handicap unless that handicap prevents the person from meeting the minimum standards established.

SECTION 5. COMPENSATION WHEN ACTING OUT OF CLASSIFICATION

A sworn employee assigned by the Chief of Police or his designee in writing to temporarily serve in a higher classification shall be granted additional compensation in the amount of 5% for the duration of the assignment. If the assignment is for greater than two weeks, the compensation for the assignment shall be set at the first step of the classification the employee is assigned to salary range.

SECTION 6. ADVANCEMENT WITHIN SALARY RANGE

Salary advance shall be only at the approval of the Chief of Police whose decision is final and shall be based on merit as established by record of the employee's performance. No salary advancement shall be made so as to exceed the maximum rate established in the Performance Pay Plan for the employee's position nor be automatic merely upon completion of a specified period of service.

Non-sworn employees who have performed at satisfactory levels in a given classification for a period of one (1) year of continuous service after initial appointment shall be eligible for advancement to a higher rate in the salary range for the classification. Such salary advancement shall be in an amount not less than three percent (3%) and up to a maximum of seven percent (7%) based on performance. After the initial salary advancement, as specified above, employees who have performed at satisfactory levels may be considered for periodic increases no later than twelve (12) months from the prior increase up to a maximum of seven percent (7%) for any one increase.

Such salary advancement shall be seven percent (7%). If such seven percent (7.0%) salary advancement would exceed the top step of the salary range, the salary advance grant shall not be more than the top step of the classifications salary range. After the initial salary advancement, as specified above, employees who have performed at satisfactory levels may be considered for periodic increases no later than twelve (12) months from the prior increase.

Continued satisfactory performance is required to maintain any salary increases above the initial increase. Where an employee is reduced in salary for disciplinary reasons or for not maintaining satisfactory performance, such action is subject to the grievance procedure. Performance evaluations may be more frequent than the twelve (12) month intervals referred to above, but only those evaluations which have been designated as "salary review"

performance evaluations and which have been approved by the Chief of Police will be utilized to advance an employee through the salary range.

SECTION 12. COMPENSATION ON PROMOTION

Any employee who is promoted to a position in a class with a higher salary range shall be placed on a level in the new higher range which is at least equal to an advancement of a full five percent (5.0%) increase over the level he/she held in his/her former range in the basic salary schedule.

An employee thus promoted is therefore assigned to a new salary anniversary date effective on the date of promotion. An employee who, on his/her salary anniversary date, is promoted to a class with a higher salary range he/she is entitled, and then the higher salary level as provided in this section.

SECTION 13. COMPENSATION ON DEMOTION

Any employee who is demoted to a position in a class with a lower salary range shall have his/her salary reduced to the salary level in the range for the lower class which is:

SECTION 15. COMPENSATION ON TRANSFER

Any employee who is transferred from one position to another position in the same class, or to another position in a class having the same salary range, shall be compensated at the same level in the salary range as he/she previously received and his/her salary anniversary date shall not change.

SECTION 16. COMPENSATION ON CHANGE IN RANGE ASSIGNMENT

Whenever a class is reassigned to either a higher or lower salary range by the Management Committee, the salary of each incumbent in such class on the date the reassignment is effective shall be adjusted to the level in the new range that corresponds to the level he/she was receiving in the former range and he/she shall retain the same salary anniversary date. When a salary range reassignment becomes effective on the same date as an employee's salary anniversary date, he/she shall first receive any within range increase to which he/she is entitled and then receive the corresponding step adjustment.

SECTION 17. COMPENSATION ON POSITION RECLASSIFICATION

The salary of an employee in a position that is reclassified shall be determined as follows:

- a. If the position is reclassified to a class with the same salary range as the previous class and if the incumbent is appointed to the reclassified position, the salary rate and the salary anniversary date of the employee shall not change. This provision shall also apply to a change of class title.
- b. If the position is reclassified to a class with a higher salary range than the previous class, and if the incumbent is appointed to the reclassified position then the salary of such employee shall be governed by Section 12 of the Memorandum of Understanding.
- c. If the position is reclassified to a class with a lower salary range than the previous class, and if the incumbent is appointed to the reclassified position, his/her salary shall not change. If his/her salary is greater than the maximum of the lower salary range, his/her salary shall be "Y" rated until such time as any general salary increase, inequity adjustment, or other adjustment results in a monthly salary appropriate for the class. The employee's salary

anniversary date shall not change and he/she shall not be required to serve a new probationary period.

SECTION 18. BILINGUAL PAY

Employees who are assigned to perform as bilingual communicators (who demonstrate that they can read, write, and speak on an Authority approved level) on a regular and recurring basis shall receive an additional Two Hundred Fifty Dollars (\$250.00) compensation each month they are assigned. Prior to receiving such additional compensation, employees may be required to pass a bilingual proficiency test.

Employees who do not volunteer to be assigned as bilingual communicators shall not normally be required to perform in this capacity except in emergency situations.

The Authority will continue its practice of paying employees who are fluent in another language and are assigned to or are required in the performance of their duties to use their bilingual skills. Such pay will be \$10 a day on the day such bilingual skills are utilized, with the prior approval of the employee's supervisor. This does not pertain to employees who are assigned as bilingual communicators as outlined above.

SECTION 19. LONGEVITY PAY

- Police Officers, Corporals, Sergeants shall receive longevity pay, of two (2.0%) of base pay, beginning with the employee's tenth (10th) consecutive years of service in the classification of Police Officer, Corporal or Sergeant with the Authority.

HOURS OF WORK AND OVERTIME

SECTION 20. HOURS OF WORK

20.1 Work Schedule

The standard workweek for employees occupying full-time positions consists of forty (40) hours in any designated five (5) days with two (2) consecutive days off. Employees may not receive two (2) consecutive days off during a week in which employees rotate shifts.

Daily hours of work (or shifts) for employees of the Central Marin Police Authority shall be as requested per four (4) month sign up roster according to employee seniority. Employees through the bidding process must work at least one (1) "day" shift and one (1) "night" shift every two years. Exceptions to the above may be for the following reasons, with reasons for the exceptions given in writing:

- a. New employees
- b. Training
- c. Special assignments
- d. Supervision

Sign up shall be for a one (1) or two (2) year period (three (3) four (4) month cycles).

The standard work week outlined above, has been amended by the Authority in some circumstances in order to implement alternate work schedules, which are as follows:

5/8 Schedule - Desk Officer, Records Specialist
 9/80 Schedule - Property Technician
 4/10 Schedule - Detectives
 School Resource Officer
 Training Support Sergeant
 Traffic Direct Patrol Officer
 3/12 Schedule - Police Officer
 Corporal (assigned to patrol)
 Sergeant (assigned to patrol)

Employees assigned to work a 9/80 schedule shall normally be assigned to work a 14 day schedule that consists of two alternating weeks of four 9 hour work shifts on duty followed by one 8 hour day on duty (for a total of 44 hours) with two days off and then four 9 hour shifts on duty, for a total of 36 hours with three days off. This will result in employees working a total of 80 hours in a 14 day pay period.

Employees assigned to work the 4/10 schedule shall normally be assigned to work a fourteen (14) day schedule that consists of four 10 hour work shifts on duty (for a total of 40 hours) with three days off and then four 10 hours work shifts on duty followed by three days off. This will result in employees working a total of 80 hours in a 14 day pay period.

Employees assigned to work the 3/12 schedule shall normally be assigned to work a fourteen (14) day schedule that consists of two alternating weeks of three 12 hour work shifts on duty (for a total of 36 hours) with four days off and then four 12 hour work shifts on duty (for a total of 48 hours) with three days off. This will result in employees working a total of 84 hours in the 14-day pay period.

If at any time the Authority determines that any of these alternate work schedules is to be discontinued, the Authority will meet with the Association to discuss the reasons for the change and to present new work schedule(s). The Association may also present scheduling alternatives for the Chief of Police consideration. The Authority also reserves the right to discontinue these alternate work schedules in whole or in part if an emergency arises where continuance of the alternate schedules would have serious adverse consequences to the Authority.

20.2 Shift Differential

Employees working in patrol who are regularly assigned to work nights, defined as the majority of their shift hours are working after 6 pm, and that work for four or more such shifts during a pay period will be eligible for a shift differential of 5.0% of base pay for each hour so worked. (Employees working in positions other than patrol that are regularly assigned to work the graveyard or relief shift for five or more shifts during a pay period will be eligible for a shift differential of 5.0% of base pay for each hour so worked.) This differential will not be paid to employees who work either of the noted shifts as part of field or other training.

In the event an employee assigned to patrol is assigned and works the night shift, but during this shift rotation he/she is moved to day shift by the Authority, he/she will continue to receive shift differential for the balance of that shift rotation. This continuation of shift differential shall not apply in circumstances where an employee requests to move off of nights, the move to days is part of disciplinary action, or if such change is made prior to the commencement of the 4 month shift rotation.

20.3 Special Duty Status

Should any employee of the Authority who is assigned to work an alternate work schedule become ill or injured requiring time off or modified job duties, that employee may be assigned to a five (5) day, forty (40) hour work week.

20.4 Training

An employee who is working on an alternate work schedule and is sent to training must discuss the length of the training and their work status with their supervisor before leaving for such training. If the number of hours of training is less than his/her normal duty day/week, he/she shall be expected to work the remaining hours, or utilize accrued time off for the balance of the time. If the training is to take place for more than five days, the employee may be returned to a 5/8 schedule for the duration of the training.

An employee participating in an "in house" training shall normally attend that training in lieu of a normally scheduled work day, if that training falls on a regularly scheduled day off. Exception may be made at the discretion of the Chief of Police. A normally scheduled work day may include an eight, ten, or twelve hour work day. An "in house" Authority provided training is defined as any training instructed, hosted, or put on by the Authority. The in lieu day will be assigned to the employee and will fall within the same pay period. The in lieu day may be changed with the consent of the employee and the employee's direct supervisor.

Employees who are required to attend training sessions, which require significant travel, shall receive compensation (in lieu hours) for travel time.

SECTION 21. OVERTIME

21.1 Definition.

Authorized time worked in excess of an employee's regularly scheduled work day or regular 14 day work schedule shall constitute overtime. Time paid for but not worked such as paid sick leave and paid holidays shall be included in the computation of time worked.

Employees working on an alternate work schedule will normally be assigned to a 14 day work cycle as outlined in Section 20 above. During this period an employee will normally be scheduled to work 80 hours in a pay period, except employees working on the 3/12 schedule who are scheduled to work 84 hours (80 hours at the straight time pay and 4 hours as straight time compensatory time). An employee will be eligible for overtime payment at time and one half for those hours worked beyond their regularly assigned work shift or for hours worked in excess of 80 or 84 hours (as applicable) during the 14 day work cycle.

21.2 Overtime Pay

Overtime shall be paid at the option of the Chief of Police based on the rate of pay at time and one-half or compensatory time at time and one-half off, subject to the following provisions:

a. Court time outside normal duty hours will be paid at a time and one-half/CTO basis. If a court appearance is scheduled more than one (1) hour after, or ends more than one (1) hour before a scheduled shift, a four (4) hour minimum overtime compensation or CTO will be paid.

b. Court time on a day off will be paid at a four (4) hour minimum at the overtime rate/CTO. The officer is responsible for contacting the Central Marin Police Authority or appropriate authority prior to 5:00 p.m. the day preceding the court date to ascertain if attendance is required.

- c. Range training outside normal duty hours will be paid at the two (2) hour minimum at the overtime rate CTO.
- d. Call In/Call Back – Any employee who is not working and is requested to work and comes to work due to a staffing issue is guaranteed a minimum of two (2) hours of compensation at their overtime rate.

SECTION 22. COMPENSATORY TIME

Employees may elect to accrue compensatory time and/or Flex time not to exceed a total of one hundred fifty (150) hours. Once a one hundred and fifty hour accrual has been attained, any authorized overtime hours worked will be paid at the overtime rate and efforts will be made to have the employee schedule time off. Accrued compensatory time off may be carried over from one calendar year to the next; however, accrued compensatory time/Flex time off balances may not exceed one hundred fifty (150) hours.

Compensatory time is earned at the overtime rate of time and one half. Flex time is defined as the extra four (4) hours worked during each 14 day cycle by Police Officers, Police Corporals/Police Sergeants assigned to patrol who work a 3/12 schedule and earned at the straight time rate. As either compensatory time or flex time are earned, they will be credited to an employee's "Comp time account". The use of accrued compensatory time/Flex time off shall be by mutual agreement between the Chief or designee, and the employee.

By mutual agreement between the Chief and the employee, an employee may be allowed to cash out compensatory time and/or Flex time that has been accrued at the time of said election. This cash out may be allowed only two (2) times per year and the maximum number of hours exchanged will be forty (40) hours per year.

SECTION 23. HOSPITAL, MEDICAL, DENTAL CARE, LIFE INSURANCE

23.1 Flexible Benefit Plan - Active Employees

Under the Flexible Benefit Plan the Authority's monthly contribution for the individual employee and the employee's eligible dependents shall be One Hundred and Twenty-Eight dollars (\$128.00) per month effective January 1, 2017 and shall adjust in accordance with the Minimum Employer Contribution (MEC) established by the Public Employees Medical and Hospital Care Act.

In addition, the City shall offer an Internal Revenue Code Section 125 Plan that contains the components of benefit allowance and premium conversion.

Effective July 1, 2018 and continuing through the term of the agreement, the Authority shall contribute the below-listed amount per month toward each employee's Section 125 Plan benefit allowance components. All contributions listed below include the Minimum Employer Contribution (MEC):

- Employee Only: Up to the Kaiser rate for Employee only
- Employee plus one: Up to the Kaiser rate for Employee plus one
- Employee plus two or more: Up to the Kaiser family rate
- No Plan: \$350 per month

An employee may use any benefit allowance stated above toward the cost of employer-provided PERS Health insurance for the employee and eligible dependents. An employee may not use the benefit allowance for other reasons.

Any Employee that enrolls in a Medical Plan that has a higher premium than the Authority's contribution, as stated above, will pay the difference via pre-tax payroll deductions.

If an employee is eligible for alternative group medical insurance through a spouse or domestic partner's employer-sponsored medical plan, or through a parent's insurance, the employee may waive the Authority's medical insurance coverage. Proof of alternate coverage is required prior to waiving coverage through the Authority plan. Any employee who waives medical coverage entirely shall be eligible to receive as taxable income \$350.00 per month. This provision is subject to CalPERS rules and regulations.

23.2 The Authority shall contribute an amount necessary to provide dental care benefits for the individual employee and eligible dependents.

a. The amount of term life insurance covering eligible employees shall be Twenty-five Thousand Dollars (\$25,000.00).

b. The Authority will continue to pay the full cost for maintaining the dental plan in effect January 1, 2011 and the life insurance plan in effect January 1, 2011.

c. Dental and Orthodontia. The maximum dental coverage is Two Thousand Dollars (\$2,000.00) per year, and the Orthodontic benefit to a lifetime maximum of One Thousand Dollars (\$1,000.00) per dependent child.

23.3 Medical Insurance - Retirees

a. Employees Hired Before July 1, 2007 - For a current employee (hired before 7/1/07) who, retires from the Central Marin Police Authority (Authority), has completed 10 or more years of service with CMPA, and is collecting a PERS retirement benefit, the Authority will pay for the cost of Kaiser medical coverage for the employee.

For a current employee (hired before 7/1/07) who; retires from the Authority, has completed 15 or more years of service with Authority, and is collecting a PERS retirement benefit, Authority will pay for the cost of Kaiser medical coverage for the employee and their spouse. To be eligible, the spousal relationship must have been documented with the Authority for at least 5 years before the employee retires from the Authority. If other retiree medical coverage is available to the spouse, that plan will provide coverage, before the plan offered by the Authority.

b. Employees Hired After July 1, 2007 - For an employee hired after 7/1/07 retires from the CMPA, has completed 10 years of service with CMPA, and is collecting a PERS retirement benefit, CMPA will pay for the cost of Kaiser medical coverage for the employee only.

Employees who do not qualify for CMPA paid medical in retirement, as well as eligible dependents of retirees, are allowed access, through CMPA, into the PERS medical plan after retirement, in accordance with the rules established by PERS. Such premiums will be paid for at the retiree's expense.

CMPA will work with its employee groups to research and develop a vehicle which allows money to be set aside while employees work for the CMPA, which can later be used for medical costs in retirement. Potential solutions include the creation of Health Savings Accounts (HSA) which may allow employees and the CMPA to set aside money on a pre-tax basis, which can later be used for medical expenses.

In regards to an employee who is granted a duty related disability retirement, which occurs prior to meeting the service requirements outlined above, the Authority will provide a stipend payment toward the retiree's medical costs, in an amount determined by the percentage rate of disability determined.

c. For Employees Hired After January 2013 - For employees hired after the execution of the Joint Powers Agreement or after February 1, 2013, whichever is later, the Authority will contribute the following amounts to the Employee's Retiree Health Saving Account.

Years of Service	Authority Contribution
After completion of Probation to 15 years	2.0% of base salary
